AMENDMENT TO UNITI AGREEMENT

This AMENDMENT ("Amendment") effective as of the latter of the signature dates below, amends the Agreement, in addition to any and all related addenda or amendments (collectively, the "Agreement"), by and between County of Oldham ("Customer") and the Uniti legal entity(ies) providing the Service to Customer, as identified on Customer's bill ("Uniti").

TERMS OF AMENDMENT

- i) Uniti and Customer hereby agree to amend the Agreement by moving, adding or changing Services at an existing Service location or adding a new Service location, as identified in Quote # 3006776, attached hereto and hereby incorporated into the Agreement. The Services to be provided at such Service locations and rates for the same are also set forth in the Quote, along with other applicable terms and conditions.
- ii) **Rate Guarantee.** Uniti and Customer agree that during the initial Term of the Agreement, Uniti will not increase Customer's Monthly Recurring Charges for the Services being provided per Quote # 3006776 (or, in the case of long distance services, the per minute charge for such services) by any amount greater than 5% per annual period. The foregoing right shall not apply to changes to, additions of and/or increases in TDM access charges, all permissible taxes, surcharges, fees and assessments that apply to the Services.
- iii) **Technology Change.** Uniti acknowledges Customer's substantial interest in state-of-the-art technologies that offer improved performance and more efficient way to meet Customer's telecommunications requirements. Uniti and Customer hereby agree that, any time after the first twelve (12) months of the Term, Customer shall have the option of converting Services to another Uniti product or technology, provided that Customer agrees to enter into a new Agreement for a new Term equal to or greater than the original Term. This provision shall not include a change involving disconnection of current TDM based circuits, but such circuits may be re-provisioned for use for conversion to a new technology with Uniti.
- iv) Except as modified by this Amendment, the terms and conditions set forth in the Agreement remain unchanged. All amended Services are subject to the term stated on the Quote.

IN WITNESS WHEREOF, this Amendment is hereby duly executed by an authorized representative of each Party hereto.

Usage Rates**

Rates listed within the Usage Rates section are applicable for all locations, unless otherwise noted in the individual Service Location listing in the Usage Rates sub-section. Additional charges apply for all voice features, router maintenance, CPE maintenance and directory listings. Precision - each call is billed to two decimal places and rounds the billed amount for each call up to the nearest whole cent.

Letter of Agency

Contact Name: Stan Clark	Company Name: County of Oldham
Billing Address:	
City, State, Zip:	
Current Carrier:	Order Date:

Authorization to Change Service Provider(s)

On behalf of the Company, I hereby authorized Uniti and its operating affiliates* listed on Exhibit A to change my Company's provider(s) for the following services from my current telecommunications carrier(s) to Uniti for each of the telephone numbers listed below. Check all applicable services:

	Local
	Intrastate, IntraLATA Long Distance Service (also known as local toll)
	Interstate, InterLATA and International Long Distance

I represent that I am at least eighteen years of age and that I have the authority to change telecommunications carriers for each of the telephone numbers identified below. I understand that I have the right to obtain telecommunications services individually. I also understand that I may designate only one local exchange carrier, one intraLATA carrier, and one interLATA carrier per telephone number.

I choose Uniti to act as my agent to carry out the change(s) and authorize Uniti to handle on my behalf all arrangements, including ordering, changing, and/or maintaining my service, with my local telephone company(s), interLATA carriers, equipment vendor(s), and consultant(s). By designating Uniti to act as my agent, I do not permit Uniti to change my service to a carrier other than Uniti. I understand, that there may be a fee to change from the Company's current telecommunications carrier(s) to Uniti.

Telephone Numbers:

I authorize Uniti to issue all necessary instructions on my behalf and confirm that my preferred provider for the telecommunications service(s) checked above will be changed to the telephone number(s) specified above. This agreement will remain in effect until revoked in writing by the Company.

UNITI VoIP 911 Disclosure

Uniti and its affiliates are subject to an FCC requirement to provide notification of any E911 limitations that may be associated with the service provided to your company. There are critical differences between traditional telephone service and Uniti VoIP Services:

- 911 emergency services will not be available in the event of a power failure.
- 911 emergency services will not be available in the event of an internet failure.
- There are severe limitations (details below) to 911 emergency services if you move your phone from its registered location.

Loss of 911 services due to power failure or Internet connection failure:

Historically, telephone service has been powered by electrical power within the telephone network. If you subscribe to Uniti VoIP Services, power is supplied directly from the premise in which you are operating the telephone.

- In the event of a commercial power outage, and if your building does not have a back-up power system, your telephone service, including 911, will not function until power is restored.
- Loss of power to your broadband gateway (through which your service is provided) will cause a loss of telephone and 911 services.
- Any internet connection failure, including a suspension for nonpayment, will cause a loss of telephone and 911 services.

Uniti recommends that you always have an alternative means of accessing 911 during a power failure or internet connection failure such as a basic business or copper line (non-VoIP line) for elevator, alarm, and other critical functions.

To ensure that 911 calls are properly routed:

- **Do not move the equipment installed at your premise to another location.** Use of the telephone service at another location will prevent E911 service (the ability of the 911 operator to automatically determine your location) from working. If you move equipment provided as part of the Uniti VoIP Service to another location, you must update your service address with Uniti prior to using the service from a different location. Use of your equipment at a location other than the registered physical location may route 911 calls to an incorrect 911 dispatch center, potentially delaying or preventing emergency services.
- **If you have users that will be using devices such as software telephones that are installed on mobile personal computers, laptops, smart phones, netbooks and any other mobile VoIP supported device that is intended to be mobile with Uniti service,** you must update your service address prior to using the service from a different location in order for your current location to be transmitted automatically and accurately to emergency services. Use of your software telephone at a location other than the registered physical location may route 911 calls to an incorrect 911 dispatch center, potentially delaying or preventing emergency services.
- **Always state the telephone number and address that you are calling from to the 911 operator.** The 911 operator receiving the emergency call may not be able to automatically identify your phone number and physical location and be able to call you back if the call is disconnected, therefore you must specify the exact location of the emergency and the telephone number from which you are calling.
- **Contact WIN when you plan to move your service.** Uniti Customers should contact the **Uniti Business Center at 1-800-600-5050, Uniti New Edge (formerly Earlink Business) customers should contact Customer Care at 1-800-239-3000 and Broadview customers should contact the OfficeSuite® Support Center at 1-800-623-VOIP (8647).** Since your Uniti VoIP Services will not provide 911 services from a different location, you must notify WIN before you move the registered location of your service.

To help remind you about the availability of 911 emergency service and its limitations with WIN VoIP Services, we will provide stickers to be placed on or near all of your telephones and devices.

To Report a Change to Your Service Location:

- **Uniti Customers** - Contact Customer Service at 1-855-361-7792.
- **Uniti New Edge Customers** - Contact Customer Care at 1-800-239-3000.
- **Legacy Broadview Customers** - Contact the OfficeSuite® Support Center at 1-800-623- VOIP (8647). For Broadview customers with PC/Softphone service, you may also update your address when prompted upon login.
- **For Customers with Uniti Hosted Communications** - Contact WHC Repair at 1- 855-759-7420. Customers using Uniti Hosted Communications on a smart phone may also access the Uniti Hosted Communications Client Software application to update.
- **Legacy MassComm Customers** - Contact your Account Manager directly or use 1-866- 791-6277.

Customer Affirmation of Notification

I have read the above notice and understand that there are critical differences between 911 service with Uniti VoIP Services and traditional telephone service. I assume all responsibility and risk of harm, loss, or damage in the event that 911 service fails as a result of a power outage or Internet outage, in the event I fail to update my service address with Uniti if I use the service from a different location or in the event I do not provide the address, correct address, extension or other information to emergency authorities.
