Renovation Project: LaGrange

Since opening in January 2009, the LaGrange Branch has continually adapted to meet the evolving needs of our community. In FY2025-26, the Board of Trustees approved a series of renovations designed to enhance patron experiences, increase access to services, and create more flexible community spaces. Recognizing the high demand for study rooms at both the LaGrange and Goshen branches, two additional study rooms were added. The library's makerspace, **The Workshop**, was relocated to a more visible and accessible location, highlighting the wide range of creative tools available to patrons, including a 3D printer, laminator, Cricut machines, button makers, sewing and

embroidery machines, die-cut equipment, mug press, and more. The children's activity room was updated with new glass walls, creating a more open, welcoming atmosphere within the Children's Department. New furniture throughout the branch provides comfortable spaces for reading, studying, collaborating, and gathering. The relocation of The Workshop also allowed for the expansion of the teen area, including a dedicated office for the Teen Librarian and additional space for small programs, gaming, and teen engagement activities. Together, these improvements ensure that the LaGrange Branch continues to serve as a vibrant, responsive community hub for learning, creativity, and connection.

Teens & Adults

After expanding staff support for teen programming, the Library experienced remarkable growth in teen engagement. Staff offered 163 programs and activities for teens, a 66% increase over the previous year, attracting 2,951 participants, a 147% increase. Two standout additions to our teen programming were the *Be Kind to Your Mind* community collaboration at CityPlace and the Library's inaugural Renaissance Faire,

designed for both teens and adults. The Renaissance Faire received an overwhelmingly positive response from the community, and we are excited to bring it back next year.

The Library also continues to offer a robust lineup of programs for adults. During the past year, staff presented 428 adult-focused programs that welcomed more than 6,951 participants. These offerings reflect a thoughtful mix of educational, social, cultural, and community-centered experiences, providing opportunities for lifelong learning, personal enrichment, and meaningful connections. The library also provides multi-age programming and outreach in the community.

TOTAL PROGRAMS for all library patrons: 1,267

Strategic Plan 2030

During the past year, the Library undertook a comprehensive strategic planning process to guide its future direction and priorities. Through participation in a cohort organized by the Kentucky Department for Libraries and Archives (KDLA), the Library received grant funding to support the engagement of a professional consultant. Community input was a central part of the process and was gathered through community cafés, a public survey, and conversations with residents throughout the county. A Strategic Planning Team, comprised of Library staff, Trustees, Friends of the Library members, and other community stakeholders, worked together to review feedback, identify priorities, and develop a strategic plan that reflects the needs, aspirations, and opportunities of the community we serve.

STRATEGIC PLAN 2030

Our Mission Statement: Binding the Community Together

Our Vision Statement: The Oldham County Public Library binds the community together through shared learning and discovery. We connect, we inspire, and we enrich lives—always together—by creating spaces, experiences, and opportunities that uplift every person.

CORE VALUES

- CONNECT** OCPL provides safe, welcoming spaces people can find the books, information, and learning that matter to them. Through accessible resources and inviting places, we help people feel welcome, share ideas, and build community.
- ENRICH** By supporting work, learning, recreation, and family life, the library provides practical tools, guidance, and opportunities that help residents navigate change, meet goals, and make the most of everyday moments.
- INSPIRE** The library inspires curiosity and lifelong learning for people of all ages through collections, programs, and services that help people explore interests, build skills, and imagine new possibilities.
- TOGETHER** The library is stronger when we work together. Through partnerships and shared investment, we create opportunities for learning, culture, and civic life that bring neighbors closer and reflect our community's commitment to one another.

STRATEGIC PRIORITIES

The following strategic priorities guide the Oldham County Public Library's work through 2030. Together, they support the library's mission by strengthening communication, facilities, staff investment, and inclusive service. Each priority is supported by goals that provide direction while allowing flexibility to respond to changing community needs.

1: COMMUNICATION & MARKETING

- Improve website content and staff communication tools to highlight high-impact lesser known services
- Promote digital services and databases through social media
- Increase awareness of core library services in-person and online
- Improve in-library communication to help patrons discover services

2: FACILITIES GROWTH & USER CENTERED SPACES

- Engage fundraising, development and investment professionals
- Complete 3 space improvement projects to enhance usability
- Sustain engagement through programs and community events
- Develop outdoor spaces to support programs and informal use

3: STAFF INVESTMENT

- Complete comprehensive market analysis of part-time and full-time compensation
- Establish a structured leadership development program
- Ensure that at least 75% of staff participate in one or more professional development activities
- Encourage and support staff in pursuing professional certifications

4: INCLUSIVITY & RESPONSIVE COMMUNITY SERVICE

- Deploy a library outreach vehicle
- Implement targeted programs/ service initiatives for neurodivergent people and those with disabilities
- Strengthen ESL services
- Establish outreach to incarcerated and justice-impacted populations
- Expand services for young adults

Board of Trustees

During FY2025-26, the Oldham County Public Library Board of Trustees continued its commitment to strong governance and strategic leadership while guiding the library through important initiatives and facility improvements. This year, we said goodbye to Amanda Ross, a long-serving trustee whose final role was Board President. Amanda's dedication to library service and community engagement was instrumental in helping the library navigate the challenges of the COVID-19 pandemic, complete major renovation projects, and successfully oversee the planning and construction of the Goshen Library branch. We are deeply grateful for her years of service and leadership. At the same time, we welcomed Laurie Anne Roberts as the Board's newest member. The current Board of Trustees includes Michael Plumley, President; Kara Sanders, Vice President; Siobhán Gallaher, Treasurer; Jeff Doud, Secretary; and Laurie Anne Roberts, Trustee. Together, the Board continues to provide thoughtful oversight and direction to support the library's mission and future growth
